Chrome 80-Spoke Wheel Assemblies For Custom Wide Tire Applications

- ° 80-spoke design with 6/8 gauge round or twisted spokes and custom nipples
- ° Chromed steel rims
- ° Chrome billet hubs with diamond facets
- ° Chrome valve stems
- ° Each wheel includes 3/4" and 1" sealed wheel bearings and center spacers so you can custom tailor your wheel to your frame
- ° Silicone sealed spoke wells for tubeless tires
- ° Front wheels available in single and dual disc
- ° Rear wheels wider than 5.50" have three bearings (two on the drive side for extra support)
- ° Wheels require the use of 2000-up brake rotors and pulleys
